Dear Mr. Stanley:

Re: Deep Voll Ravine Construction Project

I have lived in the Goffle Rd./Ravine Avenue area for many years and would be devastated by the destruction of the beautiful ravine. I wish to voice the same opinion expressed in the many eloquent letters you have already received in opposition to this housing development project. I implore you to consider the irrevocable effects of the loss of this natural wonder in our midst. It is imperative we preserve our land and environment in its natural state. Please do your part in saving this valuable and historic property by denying the builder's variances to proceed. Though my plea is brief, please know my intent is heartfelt. I would appreciate your most earnest consideration.

Thank you.

Sincerely,

Margretta Hendrick
