Re: Deep Voll Ravine

Dear Mr. Scanlan,

We are writing this letter to express our strong support for the efforts being made by the Friends of Wyckoff and the Save the Ravine Alliance to preserve the Deep Voll Ravine as open space. Because of the historical, environmental and aesthetic importance of this natural resource, we believe the creation of a nature sanctuary and environmental education center at the Deep Voll Ravine is the best course for remarkable tract of land.

We wish you success in your efforts, and hope that the Deep Voll Ravine is preserved so that current future generations may both enjoy it and learn from it.

Sincerely,

Sandy Batty
Executive Director
